Not all Mexican food is spicy. All our dishes are meticulously prepared with an authentic, yet mild flavor. For those who like it spicy, we put a dish of hot sauce on the table. If you would like an extra spicy meal you may make this request to your waiter/waitress. All our food is made with only the freshest ingredients available. We use nothing canned or frozen and we use 100% vegetable oil for our fried items. It is absolutely correct to eat tacos and tortillas with your fingers. Please allow us time to prepare your food right. Mexican Food is good only when served hot.
IMPORTANT: Remember, because your meal comes to you straight from the oven your plate will be very hot. Please be careful!
